CHATEAU
TOUR DES GENDRES

AOC : Côtes de Bergerac Red

Grape varieties : Cabernet Franc

Terroir : Clayey-limestone soil with a high majority of limestone

Vinification : Total destemming followed by punch-down

Long maceration of 40 days with micro-oxygenation under the cap

Unfiltered

12 months ageing in 30 hl casks (big barrels)

Ageing : From 10 to 15 years depending on the conditions

Style : This wine is a subtle blend of the spirit of Cabernet Franc grapes and the soul of the limestone terroir where they matured.

On the nose, aromas of red berries mingle with notes of toast and blackcurrant jam.

On the palate, the fine tannic structure conferred by the unique Cabernet Franc grape makes this a wine that can be kept for up to 10 years.
